Investigation Committee Report to the Board of Directors Summary of Decisions Reporting Period: November 2021 – March 2022

This report provides information on decisions made by the CLPNM Investigation Committee during the time frame identified above. Many cases remain open across multiple reporting periods, and as such, the decisions below do not reflect all decisions made by the Committee in relation to each case.

The Investigation Committee considers the unique circumstances of each case when making its decisions. For that reason, complaints described as having a similar subject matter in this report may be associated with different decisions.

Subject of Complaint	Committee Decisions Made in Reporting Period
